MARK EIDELMAN

Mark Eidelman is an Associate with J.P. Morgan, in the Natural Resources Group in Chicago, primarily covering Power & Alternative Energy clients. Mr. Eidelman has worked on mergers and acquisitions, infrastructure buyouts, equity and equity-linked products and other debt financing transactions. He has worked with clients ranging from Energy Future Holdings, FirstEnergy, Iberdrola, Integrys, Nicor, NorthWestern, NSTAR, OGE Energy, ONEOK, PNM Resources, Pinnacle West, PSEG, UniSource and USG. Mr. Eidelman joined J.P. Morgan in 2006, and spent four years in consulting, primarily with Deloitte Consulting. Mark received his MBA from Chicago Both with majors in finance and entrepreneurship, and holds a B.S. in Mechanical Engineering from Purdue University.

Mark can be reached at 312 732 3409 or mark.x.eidelman@jpmorgan.com.

ANTHONY LIMA

Anthony Lima is a Senior Hazardous Materials Investigator and the National Packaging Program Manager (NPPM) for the Office of Hazardous Materials Enforcement (OHME). PHMSA is the lead agency for hazardous materials transportation safety and performance packaging oversight within the U.S. DOT.

Mr. Lima sets OHME's strategic focus, policies and procedures for non-bulk and IBC packaging compliance and enforcement oversight. He also administers PHMSA's Packaging Validation Testing Program, oversees the inspection activity for PHMSA Third Party Laboratories and provides package training to field investigators.

Mr. Lima has served the Department for 20 years. Prior to joining PHMSA, he worked for the Federal Railroad Administration and the Office of the Secretary. Within PHMSA Mr. Lima has also served in the Offices of Hazardous Materials Standards and Special Permits and Approvals. From 1994 – 2006, Mr. Lima was a field investigator with OHME's eastern region enforcement office, West Trenton, NJ.

Mr. Lima can be reached at (856) 265-3054 (cell), (302) 336-9693 (efax), or anthony.lima@dot.gov. PHMSA's web address is – hazmat.dot.gov.

ROB GILES

Rob Giles is Business Manager Packaging for Husky Injection Molding Systems, based out of Husky's headquarters in Bolton Ontario.. Prior to joining Husky in 1983, Rob worked at Dupont Canada from 1979 to 1982. Rob holds a BSc, Dalhousie Univeristy (1977) and a BEng in Chemical Engineering, also from Dalhousie University (1979).

Rob has held numerous roles in the packaging sector in his 27 years at Husky: in Project Management, Product Management, Sales and Marketing.

He can be reached at (905) 951-5112, or rgiles@husky.ca.
Husky's web address is www.husky.ca

DAVID BAKER

David is President of Law Offices of David H. Baker LLC. He has been practicing law in Washington, DC for thirty one years and focuses on safety law. He represents clients before the Consumer Product Safety Commission and the Department of Transportation. Currently, he represents ten trade associations, including the Plastic Shipping Container Institute, and a large number of publicly held and privately held corporations including BIC, Coleman, Office Depot, Rawlings, The Sports Authority, Speedo, Sunbeam, Toro, Tyco Fire & Safety and Zippo. David was the Executive Partner of Holland & Knight's Washington office and a Member of the Executive Committee of Thompson Hine & Flory, before opening his own firm in 2006. He holds a Juris Doctor Degree from George Washington University Law School, where he was a Member of the Journal of International Law and Economics (1979) and a Bachelor's Degree in History, with Honors, from Hamilton College (1976). David is AV rated, listed in Who's Who in American Law and a member of The Barristers.

David can be reached at (202) 253 4347, or david.baker@dhbakerlaw.com.
