“Energy Savings in Your Plant”

Luncheon 12:15 PM

Rick Weil, Mesirow Financial

“Merger and Acquisition Activity in Rigid Plastic Market”

Mark Dumont, BASF Colors & Effects 1:30 PM

“Coloration challenges and related solutions when injection molding with HDPE and PP resins”

Adjournment 3:00 PM

BIOS

Randy Pollack

Randy Pollack specializes in developing and directing government and regulatory affairs strategies through lobbying, political grassroots, public relations efforts and organizing industry coalitions. He regularly represents businesses and trade associations before the California Legislature, the executive branch and state agencies.

Randy has served as the lead lobbyist on issues involving chemical policy, dietary supplements, consumer packaging, cosmetics, privacy, financial, education and agricultural issues. Additionally, he has extensive knowledge in working with the California Department of Food & Agriculture, Cal-EPA, Department of Health Services, Consumer Services Agency and various other agencies to resolve issues on behalf of his clients. In a November 2009 survey, California Legislators voted Randy as the “Most Underrated Lobbyist” working at the Capitol—a testament to the effective and pragmatic approach he employs on behalf of his clients.

Before joining Churchwell White LLP, Randy established his own company focusing on legislative and regulatory affairs. Prior to that, Randy was a shareholder of a national law firm where he directed legislative and regulatory strategies for Fortune 500 companies and trade associations. Randy’s 25 years of government experience include serving as Chief Deputy Legal Affairs Secretary to former Governor George Deukmejian, where he counseled the Governor and senior staff on a variety of legal, public policy and legislative issues. As chief consultant to the Assembly of Agriculture Committee, he oversaw issues affecting California’s \$20 billion agricultural industry. In addition, Randy served as legal advisor to the California Public Employment Relations Board.

Randy Pollack is a registered California lobbyist and a member of the California and New York State Bars. He received his J.D. from University of the Pacific, McGeorge School of Law and his B.A. degree from the State University of New York, Buffalo. As an attorney and lobbyist, Randy is an AV® Peer Review Rated lawyer, the highest rating given by Martindale-Hubbell for legal ability and ethical standards.

Randy can be reached at 916 202 5830 or randy@churchwellwhite.com

Terry Iker

Terry Iker has worked in the fields of Quality Management and Quality Engineering for the past 40 years at various manufacturing companies in Canada and the U.S. including, Allis Chalmers, Bombardier, Unilever and Bausch and Lomb. In 1993, Terry embarked on his career in rigid plastics packaging by joining Ropak Packaging in Burlington, Ontario. Ropak transferred Terry to their corporate office in California in 1998 to assume the position of Corporate Quality Assurance Manager, where he also transitioned into Technical Services. In 2007, Terry relocated to Chicago and in 2008 took out his U.S. citizenship. After Bway's acquisition of Ropak in 2013, Terry continued his role as Regional Manager, Quality Assurance and Technical Services with focus on food product safety, administering HazMat disciplines and testing, qualification of raw materials including resins, training and regional quality. In 2015, left his employment at Bway to assume the role of Corporate Director of Quality at M&M Industries in Chattanooga, TN.

Early in his career, Terry received his CQE and CQA accreditations through the American Society for Quality Control and Ryerson Polytechnic Institute in Toronto. He has been active with the Plastic Shipping Containers Institute for the past 15 years, most recently serving as co-chair of the Technical Committee. Through much of his adult life in Canada and the early years in the United States, Terry was actively involved in coaching ice hockey up to the junior level and was an instructor in the National Coaches Certification Program. While in California, Terry and his wife Lynn were active in greyhound rescue, having fostered 40 greyhounds and adopting six.

Terry can be reached at 432-298-6815 or tiker@mmcontainer.com

Anthony Lima

Anthony Lima has served three agencies in the U.S. Department of Transportation since 1990. His current position is Senior Hazardous Materials Investigator for the Pipeline and Hazardous Materials Safety Administration (PHMSA). Since 2006 he has held the role of National Packaging Program Manager for the Office of Hazardous Materials Safety's Field Operations group.

PHMSA is the lead agency in the United States Department of Transportation (U.S. DOT) for hazardous materials transport oversight. PHMSA promulgates the Hazardous Materials Regulations, Title 49 CFR. PHMSA's specialty and exclusive regulatory jurisdiction is UN packaging manufacture, remanufacture, reconditioning, testing, certification and distribution for non-bulk, intermediate bulk and large packaging.

Mr. Lima advises the Associate Administrator for Field Operations and five regional directors. He develops strategic policies, procedures and focus for UN packaging regulatory oversight. As liaison with headquarters staff, Mr. Lima represents Field Operations for rulemaking activities, clarification requests, approvals and permits

applications, engineering, outreach, fitness inspections, and training opportunities for non-investigators in all aspects of UN packaging.

Mr. Lima manages the Field Operations Performance Packaging Team which is represented by one specialist investigator from each regional office. Team activities include packaging training for investigators, all types of packaging related inspections and investigations, selection and execution of validation testing projects, and inspections of PHMSA's third party packaging laboratories.

Mr. Lima also manages PHMSA's Validation Testing Program. Since 1996, PHMSA has selected over 600 UN-certified designs for independent validation of performance certifications. PHMSA's package testing database is available <http://phmsa.dot.gov/hazmat/enforcement/reports-documents>.

PHMSA's National Packaging Strategy, Validation Testing Program Policies and Procedures, U.S. Army LOGSA Policies and Procedures for PHMSA validation testing and, a virtual tour of LOGSA's laboratory at the Tobyhanna Army Depot are located at: <http://phmsa.dot.gov/hazmat/enforcement/programs>. Mr. Lima can be reached at (856) 265-3054 (cell) or anthony.lima@dot.gov

Alan Suan

Alan Suan started his career with Mobil Oil in 1989 as an environmental engineer. He has held various lubricants sales, technical and marketing positions, leading sustainability initiatives in the Marine lubricants business (Marine – medium speed lube oil optimization program) (1) and the General Manufacturing Sector (Plastics – Energy Efficiency in Plastics) (2).

He is now North America Commercial Marketing Offer Advisor for ExxonMobil Fuels & Lubricants Co. in Spring, Texas. For more information visit: www.mobil.com/plastics

Alan holds a BS in Civil Engineering from Rensselaer Polytechnic Institute and a MS in Environmental Engineering from Drexel University.

Alan can be reached at (703) 340-7014 or alan.l.suan@exxonmobil.com

Richard Weil

Rick Weil is a managing director in Mesirow Financial's Investment Banking group. He is responsible for leading deal teams on middle-market M&A transactions and developing the firm's relationships with plastics, packaging and specialty printing clients.

Prior to joining Mesirow Financial in 2000, Rick had been involved in more than 100 M&A transactions in the rigid and flexible packaging, labels, folding cartons, specialty

printing, tissue and corrugated packaging sectors. He serves family businesses, publicly traded corporations and private equity firms alike on transactions such as the sale of Custom Blow Molding to Pretium Packaging, the sale of Plastic Moulders Limited to Amcor Limited, the sale of Excel Displays & Packaging to Georgia-Pacific, the sale of Intertech Corporation to Pretium Packaging, the sale of Stronghaven, Inc. to Hood Container, the sale of Hedwin Corporation to Fujimori Kyogo, the sale of Tufco Technologies (NasdaqCM:TFCO) to Griffin Holdings, LLC and the sale of Atlas Paper Mills to Peak Rock Capital, among others.

Before that, he was a manager in the Ernst & Young Transaction Services Group in Chicago and worked in many roles of increasing responsibility at FERS, a boutique CPA firm headquartered in Chicago.

Spanning his 18 years of investment banking experience, Rick has been featured in industry- leading publications such as *Plastics Today and Plastics News*. In addition, he has been a guest speaker at numerous conferences and events including the 2015 Western Plastics Association Annual Conference, *Plastic News'* Financial Summit, Executive Forum and Caps and Closures conferences, as well as the Association for Visual Packaging Manufacturers Pack Expo and the Fall Executive Conference for the Flexible Packaging Association.

Rick earned both a BBA and an MBA from Emory University. He holds FINRA Series 7 and 79 licenses.

Rick is an avid cyclist, runner and swimmer, and competed in the 2015 Ironman Wisconsin competition.

Rick can be reached at (312) 595-6131 or raweil@mesirowfinancial.com

Marc Dumont

Marc Dumont is Head of Global Industry Management Plastics for BASF Colors & Effects Switzerland AG. Marc holds a Polymer Engineer Diploma and Business Administration degree from Strasbourg (F) University together. Since 1993, he has been working in field of colors & additives for plastics, starting in Ciba Specialty Chemicals (SC), which was acquired by BASF in 2009.

He started as the Head of R&D and Technical Support Service of Ciba Masterbatch subsidiary SNCI in France. From 1998 to 2007, he held various positions in the pigment business of Ciba SC in Basel (CH), from Laboratory Application Manager to Global Marketing Head for Pigments for Plastics. In 2007-2009, he took over the marketing responsibility for the Polymerization Solutions business of Ciba SC, within the newly formed Industry Platform of Plastics, Colors & Additives. Since the integration of Ciba SC within BASF group, he has taken on various responsibilities in

the pigments for plastics business, heading the global product management group and later the business management for EMEA. Since July 1st 2016, he has been heading the Global Industry Management group for the plastics industry within the newly formed “BASF Colors & Effects” company.

Marc can be reached at +41 61 636 53 67 or marc.dumont@basf.com

David H. Baker

David H. Baker has been practicing law in Washington, D.C. for forty years, focusing on the areas of product safety law and transportation law. He regularly represents clients before the Consumer Product Safety Commission and the U.S. Department of Transportation. His clients include national trade associations, Fortune 500 corporations and privately held companies. Mr. Baker currently serves as Co-Chair of the ABA Committee on Consumer Product Regulation and is a past President of ICPHSO and past President of the Association of Transportation Law Professionals. He also currently serves as an Adjunct Instructor on trade association law at Catholic University Law School, and has served as an Instructor on transportation law at the University of Maryland and the Department of Defense. He obtained his Bachelor’s Degree with Honors from Hamilton College in 1976 and obtained his Juris Doctor Degree from the George Washington University Law School in 1979, where he was a member of the *Journal of International Law*.

David can be reached at 202 253 4347 or david.baker@dhbakerlaw.com
